On behalf of **ASCEPT and BPS** we invite you to attend the Joint ASCEPT-BPS Scientific Meeting to be held at the University of Hong Kong from Tuesday 19 to Thursday 21 May 2015. The meeting represents the first joint meeting between the Australasian Society of Clinical and Experimental Pharmacologists and Toxicologists (ASCEPT) and the British Pharmacological Society (BPS) and will be held in association with the Hong Kong Pharmacology Society (HKPS) and the Asia Pacific Federation of Pharmacologists (APFP). The theme for the meeting is **Tomorrow's medicines: pharmacology, patients and populations**.

This meeting will showcase the world class research undertaken by ASCEPT and BPS members, as well as members and researchers from other pharmacological societies and countries in the Australasian region. Importantly, this meeting offers the opportunity to network with colleagues and other leading international and national scientists and academics during both social and scientific sessions of the programme.

The meeting will include ten topical symposia, four stimulating plenary lectures and a number of relevant oral paper and poster sessions.

Important dates

- Abstract submission opens – **September 2014**
- Registration opens – **September 2014**
